The petitioner is an unemployee. She came to know that the 2nd respondent requested the 1st respondent-employment exchange to send a list of candidates who fulfilled certain requirements mentioned in the requisition for the purpose of consideration of those candidates for the post of full time sweeper.

In view of the grievance expressed by the petitioner, the second respondent is directed to receive the application of the petitioner, if there was no public notification inviting the applications from public, and if she possesses the requisite qualifications, she may be called for interview and her candidature may be considered along with other candidates on merits according to rules.
